

ROBERTO SAROTTO

## Roberto Sarotto

### Elena "la luna" Barbera d'Alba

It has an enveloping and complex aroma of ripe fruit. A full-bodied wine, it conquers for the wonderful balance of structure, acidity, and tannins that it harmoniously offers. Round, velvety, rich, full and persistent in the mouth, it is an inebriating and stimulating meditation wine.

An important companion to rich first courses.

100% Barbera d'Alba
