"Garibaldi" Grignolino d'Asti DOCG

Guido Martinetti and Federico Grom, the founders of the Gelati multinational Grom, after selling their ice cream empire to Unilever, bought 30ha of land in the Barbaresco, 10ha of which are planted with vines. There they now produce high-quality Barbarescos from individual layers, which meet the highest standards. Other wines such as Barbera d'Asti or excellent Piemonte DOC complete the offer.

Personality, finesse, spice. The Garibaldi vineyard is a small plot of 0.7 hectares surrounded by apricot trees, on a small piece of land with a high percentage of sand. The resulting wine is the elevation of the Grignolino grape in its most fascinating expression: the decisive and velvety tannins and the exceptional aromatic breadth make it a wine with an incomparable personality.
