## “Faset” Barbaresco DOCG

Guido Martinetti and Federico Grom, the founders of the Gelati multinational Grom, after selling their ice cream empire to Unilever, bought 30ha of land in the Barbaresco, 10ha of which are planted with vines. There they now produce high-quality Barbarescos from individual layers, which meet the highest standards. Other wines such as Barbera d'Asti or excellent Piemonte DOC complete the offer.

Finesse, elegance, texture. The Faset cru is located behind Barbaresco, and consists of a large amphitheater that ends overlooking the Tanaro river. The soil of the vineyard where our grapes are grown contains a greater quantity of sand than the surrounding marls, and together with the climate mitigated by the waters of the river, it gives a complex wine with an exhilarating aromatic finesse.
