

MANLEY WINE ESTATE

## MANLEY CABERNET SAUVIGNON 2021

### VINTAGE

---

The winter prior to 2021 allowed good growth in the vineyards as the water table was reasonably filled. It gave the vineyards a chance to produce a nice canopy leading to phenolic ripe grapes. The 2021 vintage also offered us optimal sugars at the correct times. The vintage offered us an above average harvest allowing us to produce a higher yield per hectare. The grapes were picked early morning and put into the cooler for 5 hours.

### DESCRIPTION

---

A deep-coloured wine showing characters of eucalyptus, seared green pepper, black currant, blackberry compote and black cherry as well as , tobacco, blueberries and vanilla stick aromas. These grapes were picked early morning and were sent to the cooler for 5 hours. The grapes were then processed and put into a tank where cold maceration took place for about 2 days. The yeast used has a slow fermentation speed allowing for an extended extraction time thus the great colour and aromatics on this wine. After fermentation an extended skin contact was followed and then 24-month barrel ageing.

Meal Recommendations:

Texan steak and Argentinian flavoured meat dishes

Accolades:

Gilbert & Gaillard 2024 Double Gold

Classifications:

Red wine, vegan

Style:

Dry

#### ANALYTICAL DATA

Alcohol:

14.0 %Vol

Residual Sugar:

2.90 g/l

Acidity:

5.50 g/l

pH:

3.64

Maturation:

Up to 15 years and longer

#### BOTTLING

Bottling Size:

0.750 L
